

SUNSET HIGH SCHOOL BAND & AUXILIARY

- Academic excellence is understood. From International Baccalaureate to No Pass No Play, the academic achievement of each of our Band members is monitored and promoted.
- Artistic achievement is the goal. Performance in Band demonstrates proper process for maximizing potential as an individual and as part of our group. This model is then applied to multiple facets of the life of the student. In this manner, musicianship, citizenship, and scholarship merge and develop. Have a great rest of the school year 8th grade band students and I shall see you in camp.
